

EXAMPLE OF PLANS FOR DECK, PATIO, AND LANDSCAPE REQUEST

Plan Showing All Dimensions

- a. Show all dimensions from the sub-base or footings of the proposed improvement to the upper most portions of the proposed improvements. For decks this is footings to the top of the railing. For patios this is sub-base to the top of the sitting wall or surface.
- b. Show side view elevations that include same information as letter “a” above.
- c. Include storm water/drainage information as well.
- d. A 3D rendering is very highly recommended.

**The following is an EXAMPLE of a submitted request for INFORMATION PURPOSES only. No identifying information has been included. Please use your OWN information when submitting a request for ARB review. Submit online at <http://applecrossarb.com>.

THESE EXAMPLES CAN BE CHANGED AT ANY JUNCTURE AND IT IS THE RESPONSIBILITY OF THE HOME OWNER TO REFER TO THE LATEST RULES AND REGULATIONS PRIOR TO SUBMITTING AN ARB REQUEST.
